WELCOME

Lyn-Dee Cooper is on brass staff and visual staff with the Lake Wylie High School Band program. Though she is on brass staff, her primary is flute and piccolo. Lyn-Dee is a Fort Mill High School alumni (2022-2026) and will be attending Winthrop University for Music Education in the fall. She has performed with the Youth Orchestras of Charlotte for two seasons (2024-2026) and has attended the SCBDA Region Band multiple times.

Lyn-Dee started playing the mellophone the summer going into her sophomore year of high school and has marched mellophone since. From the beginning of that time, it was clear that Lyn-Dee's hard work and dedication would take her to great heights. She was contracted as a World Class performer at the Spirit of Atlanta drum and bugle corps for the 2026 season, despite this being her secondary instrument.

Lyn-Dee has all the qualities of a strong performer, as well as a young music educator. Her leadership skills in the Fort Mill High School band program helped cultivate a positive and healthy culture for these students. One of Lyn-Dee's greatest strengths is her positive attitude and ability to foster a supportive and collaborative environment.

Along with her band endeavors, she has two pets at home. A dog named Baxter and a cat named Mr. Darcy. She enjoys organizing, diamond art, and traveling. Lyn-Dee is ecstatic to be on staff with the LWHS Band!
